MARCH BUILDER OF THE MONTH THEME:

“I AM A BUILDER WHEN I AM WILLING TO TRY AND BELIEVE IN MY ABILITY TO SUCCEED”

We had a sweet kindergartener express to her parents, “I can do anything because my teacher believes in me!” If all our students completed this year with this confidence we would consider it a successful year! In our classrooms we want to promote that their possibilities are endless, to believe in themselves, and that “a little progress each day adds up to big results.”
