PILGRIM'S PROGRAM AND FEAST:

In history, our students are learning about the Pilgrims leaving England and starting a new life here in America. Each class has been practicing for their Pilgrim Play where they will be performing songs they have learned, share a line they have memorized, and participate in a Thanksgiving feast. We welcome all parents to come and see our students perform which will be followed by a Thanksgiving feast for the students. There are many wonderful volunteer opportunities for this event. Please look for a sign up genius to come shortly.

HOLIDAY CELEBRATIONS:

With Halloween approaching, we wanted to remind our parents of our holiday celebration procedures. We typically do not celebrate holidays, although we do acknowledge some of them (see below). We do not have class holiday parties, but instead we have fun culminating activities that go along with our units of study in history and science. Students often dress up, have food, and play games at these activities.

Halloween—It is important to remember that we don't celebrate or acknowledge Halloween.

Thanksgiving Day—We talk about being grateful (in word and deed) the whole month of November.

Religious Holidays (Christmas, Kwanza, Hanukkah, Ramadan, Easter)—We will talk about these holidays as part of the curriculum and to help students understand what others in our school are doing and experiencing. We may sing songs from any of these or other similar holidays in our choir classes as part of the curriculum.

KINDERGARTEN CORNER:

Teacher: "Why do you know all the answers?"

Student: "It's because I'm 100% guaranteed smart!"
