READING AND MATH LESSONS AVAILABLE ON APA'S WEBSITE

When students are absent, they are strongly encouraged to use the online APA reading and math lesson videos to help them stay caught up in their work. Parents can go to the APA website, www.americanprep.org and then click on the Parent Resources link. Once there, parents can scroll down to the Reading and Math Lessons link. The parent can select their child's reading and math level as well as the lesson they are on and have access to a video of the full lesson instruction. Though it is best for students to be in the class every school day, when they must be absent, completing these lessons while they are absent helps greatly with a successful return to school.

UNIFORM SHORTS- REMINDER

Students are no longer allowed to wear khaki shorts after Fall Break. They will have the choice of wearing shorts again after Spring Break.

JEANS DAY INCENTIVE

If your child has no missing assignments by next Friday, October 4th, they will be able to wear jeans with the rest of their uniform on Friday, October 11th, which is the last day of the term. Talk to your child about this special incentive and encourage them to work hard to stay caught up. Your child will know they have earned this incentive when they get to wear a sticker home that says they earned a jeans day incentive.

KINDERGARTEN CORNER: (Sayings from our very own Kindergarten students)

While a student is listening to the book *The Giving Tree* and eating their lunch.

Student looking at a piece of broccoli in their lunch: "Sorry Mr. Tree, but you're going down to my tummy!"

Student eats the piece of broccoli: "Mmm. Good tree!"
